
Priya Patel, Ph.D.

Curriculum Vitae

Department of Kinesiology
California State University, Fullerton
800 North State College Blvd., KHS 222
Fullerton, CA 92831

priya.patel@fullerton.edu

EDUCATION

2016 – 2022	PhD Kinesiology, <i>Cognitive Motor Neuroscience</i> Michigan State University, East Lansing, MI, USA
2014 – 2015	MS Kinesiology, <i>Motor Neuroscience</i> Texas A&M University, College Station, TX, USA
2008 – 2013	Bachelor of Physiotherapy, <i>Physical Therapy</i> Maharaja Sayajirao University of Baroda, Vadodara, Gujarat, India

ACADEMIC POSITIONS

2024 – Present	Co-Director Motor Behavior Lab, California State University, Fullerton, CA
2022 – Present	Director Sensor Measured Assessment and Research in Tiny Tots (SMARTT Lab), California State University, Fullerton, CA
2022 – Present	Assistant Professor Department of Kinesiology, California State University, Fullerton, CA
2022 – Present	Faculty Center for Successful Ageing, California State University, Fullerton, CA
2016 – 2021	Graduate Assistant Department of Kinesiology, Michigan State University, East Lansing, MI
2014 – 2015	Graduate Assistant Department of Health and Kinesiology, Texas A&M University

SCHOLARSHIP

Refereed Publications:

1. **Patel, P.**, Lee, DK., & Pandya, H. (in press). Posture-Specific Infant Activity Across the First Year: A Longitudinal Case Study using Behavioral and Movement Analysis. *Journal of Motor Learning and Development*.
2. Lee, DK., Springfield, A., & **Patel, P.** (under review). Postural Practices in Infancy: How Skill Status and Environment Shape Early Motor Development. *Infant Behavior and Development*.

3. Lee, S., Ahn, S., **Patel, P.**, & Myers, N. D. (2025). A meta-analysis of eHealth interventions to promote physical activity in young, middle-aged, and late middle-aged adults with obesity or overweight. *Obesity Reviews*. e13898. <https://doi.org/10.1111/obr.13898>
4. **Patel, P.**, Pandya, H., Ranganathan, R., & Lee, M-H. (2024). Automated classification of manual exploratory behaviors seen during early childhood using machine learning. *Journal of Motor Learning and Development*, 12(2), 386-411. <https://doi.org/10.1123/jmld.2023-0045>
5. Lee, S., **Patel, P.**, Myers, N. D., Pfeiffer, K. A., Smith, A. L., & Kelly, K. S. (2023). A Systematic Review of eHealth Interventions to Promote Physical Activity in Adults with Obesity or Overweight. *Behavioral Medicine*, 49(3), 213-230. <https://doi.org/10.1080/08964289.2022.2065239>
6. Lee, M. H., **Patel, P.**, & Ranganathan, R. (2022). Children are suboptimal in adapting motor exploration to task dimensionality during motor learning. *Neuroscience Letters*, 770, 136355. <https://doi.org/10.1016/j.neulet.2021.136355>
7. **Patel, P.**, Lee, S., Myers, N.D., & Lee, M-H. (2021). Missing Data Reporting and Analysis in Motor Learning and Development: A Systematic Review of Past and Present Practices. *Journal of Motor Learning and Development*, 9(1), 109-128. <https://doi.org/10.1123/jmld.2020-0018>
8. Ranganathan, R., Tomlinson, A. D., Lokesh, R., Lin, T. H., & **Patel, P.** (2020). A tale of too many tasks: task fragmentation in motor learning and a call for model task paradigms. *Experimental Brain Research*, 1-19. <https://doi.org/10.1007/s00221-020-05908-6>

Controlling a robotic arm for functional tasks using a wireless head-joystick: A case study of a child with congenital absence of upper and lower limbs. *PLoS ONE* 15(8): e0226052. <https://doi.org/10.1371/journal.pone.0226052>
10. **Patel, P.**, Shi, Y., Hajiaghajani, F., Biswas, S., & Lee, M-H. (2019). A novel two-body sensor system to study spontaneous movements in infants during caregiver physical contact. *Infant Behavior and Development*, 57, 101383. <https://doi.org/10.1016/j.infbeh.2019.101383>
11. **Patel, P.**, & Gabbard, C. (2017). Adaptation and Preliminary Testing of the Developmental Coordination Disorder Questionnaire (DCDQ) for Children in India. *Physical & occupational therapy in pediatrics*, 37(2), 170-182. <https://doi.org/10.3109/01942638.2016.1150383>

Conference Presentations:

1. **Patel, P.**, Castillo, J., & Pandya, H., (November 2025). Engaging Reach: Comparing Classic and Adaptive Practice for Skill Retention in Consumer Head-Tracker VR. *Society for Neuroscience (SfN)*, San Diego, USA.
2. Lee, DK., & **Patel, P.**, (June 2025). Transition from spontaneous movements to walking onset through behavioral and movement analysis. *North American Society for the Psychology of Sport and Physical Activity (NASPPSA)*, Tahoe, USA.
3. **Patel, P.**, Pandya, H., & Lee, DK., (June 2025). Automating infant posture detection using deep neural network-based classification. *North American Society for the Psychology of Sport and Physical Activity (NASPPSA)*, Tahoe, USA.
4. Lee, S., Ahn, S., **Patel, P.**, & Myers, N. D., (June 2025). A meta-analysis of eHealth for promoting physical activity in adults with obesity. *North American Society for the Psychology of Sport and Physical Activity (NASPPSA)*, Tahoe, USA.
5. Galdamez, B., Santonil, F., Ramos, Jocelyn., & **Patel, P.**, (April 2025). Socioeconomic Status and Its Effect on Language Development: A Systematic Review. *National Conference for Undergraduate Research (NCUR-2025)*, Pittsburgh, USA.

6. Galdamez, B., Santonil, F., Ramos, Jocelyn., & **Patel, P.**, (November 2024). Socioeconomic Status and Its Effect on Language Development: A Systematic Review. *Southern California Conferences for Undergraduate Research (SCCUR-2024)*, San Bernardino, USA.
7. **Patel, P.**, Razo-Castaneda, A., Rodriguez, B., & Deiro, G., (June 2024). Environmental and individual influences on infant motor development: a systematic review. *International Motor Development Research Consortium meeting (I-MDRC)*, Ghent, Belgium.
8. **Patel, P.**, & Lee, DK., (June 2024). A longitudinal case study: transition from spontaneous movements to motor milestones through behavioral and movement analysis. *International Motor Development Research Consortium meeting (I-MDRC)*, Ghent, Belgium.
9. Razo-Castaneda, A., Rodriguez, B., Deiro, G., & **Patel, P.**, (April 2024). GROWTH: Global Review of Factors in Whole-child Motor Development. *National Conference on Undergraduate Research (NCUR-2024)*, Long beach, USA.
10. Razo-Castaneda, A., Rodriguez, B., Deiro, G., & **Patel, P.**, (November 2023). GROWTH: Global Review of Factors in Whole-child Motor Development. *Southern California Conferences for Undergraduate Research (SCCUR-2023)*, Fullerton, USA.
11. **Patel, P.**, Pandya, H., & Lee, M-H., (May 2022). Effect of Age on the Kinematic Characteristics of Commonly Observed Manual Exploratory Behaviors in Preschoolers. *North American Society for the Psychology of Sport and Physical Activity (NASPSPA)*, Hawaii, USA.
12. Lee, S., **Patel, P.**, Myers, N. D., Pfeiffer, K. A., Smith, A. L., & Kelly, K. S. (May 2022). A Systematic Review of eHealth Interventions to Promote Physical Activity in Adults with Obesity or Overweight. *North American Society for the Psychology of Sport and Physical Activity (NASPSPA)*, Hawaii, USA.
13. **Patel, P.**, & Lee, M-H., (September 2021). Qualitative characterization of manual exploratory behaviors in early childhood as a function of object properties. *International Motor Development Research Consortium meeting (I-MDRC)*. **(Winner of Oral Presentation Award)**
14. **Patel, P.**, Pandya, H., Ranganathan, R., & Lee, M-H., (June 2021). Automated classification of manual exploratory behaviors seen during early childhood using machine learning. *North American Society for the Psychology of Sport and Physical Activity (NASPSPA)*.
15. Lee, M-H., **Patel, P.**, & Ranganathan, R., (May 2021). Children Show Differences in Motor Exploration When Learning to Control Body-Machine Interfaces Even When Task Dimensionality Is Reduced. *10th International IEEE/EMBS Conference on Neural Engineering (NER)*.
16. **Patel, P.**, & Lee, M-H., (June 2020). Quantitative and Qualitative assessment of manual exploratory behaviors in early childhood as a function of object properties. *North American Society for the Psychology of Sport and Physical Activity (NASPSPA)*.
17. **Patel, P.**, Shi, Y., Hajiaghajani, F., Biswas, S., & Lee, M-H. (October 2019). A novel two-body sensor system to study spontaneous movements in infants during caregiver physical contact. *Society for Neuroscience (SfN)*, Chicago, USA.
18. **Patel, P.**, Myers, N. D., Lee, M-H. & Lee, S., (June 2019). Missing Data Practices: A Systematic Review in Motor Learning and Development. *North American Society for the Psychology of Sport and Physical Activity (NASPSPA)*, Baltimore, USA.
19. **Patel, P.**, Hajiaghajani, F., Biswas, S., & Lee, M-H., (June 2018). Effect of caregiver physical interaction on characteristics of spontaneous movements in infants. *North American Society for the Psychology of Sport and Physical Activity (NASPSPA)*, Denver, USA.
20. **Patel, P.** & Lee, M-H., (April 2018). Motor exploration in children and adults when learning a novel motor task. *Neural Control of Movement (NCM)*, Santa Fe, USA.

21. **Patel, P.**, Padmanabhan, M., Hajiaghajani, F., Biswas, S., & Lee, M-H., (June 2017). Spontaneous Movements during Caregiver Contacts as an Early Window into ASD. *North American Society for the Psychology of Sport and Physical Activity (NASPPA)*, San Deigo, USA.
22. **Patel, P.**, Gabbard, C., & Wilson, B. (July 2015). Adaptation and Preliminary Testing of the Developmental Coordination Disorder Questionnaire (DCDQ) for Children in India. *International Conference on Developmental Coordination Disorder (DCD-11)*, Toulouse, France.

Magazine Publication:

1. **Patel, P.**, & Gabbard, C. (2014). Developmental coordination disorder - What physical therapists need to know. *Physiotimes (India)* 6(2): 20-23

Invited Talks

1. **Patel, P.**, (November 2022). Movements show us how we learn: Insights on motor skill acquisition from biomechanical and behavioral perspectives. *Keynote Speaker at the Western Association for Sport Psychology and Physical Activity (WASPPA – 2022)*
2. **Patel, P.**, & Lee, M-H., (February 2022). Effect of age and object properties on the characteristics of manual exploratory behaviors in early childhood. *Presented to the Journal Club by International Motor Development Research Consortium meeting (I-MDRC)*.

HONORS AND AWARDS

- | | |
|------|--|
| 2025 | Excellence in Teaching , California State University, Fullerton |
| 2022 | Graduate Writing Award , American Kinesiology Association (AKA) |
| 2021 | Excellence in Research Award , Outstanding Article in the annual volume of Journal of Motor Learning and Development (JMLD) |
| 2021 | Oral Presentation Award , 5 th Assembly of International Motor Development Research Consortium (I-MDRC 2021) |
| 2015 | Distinguished Honor Graduate , the College of Education and Human Development, Texas A&M University. |
| 2015 | Outstanding Student Award , the Department of Health and Kinesiology, Texas A&M University. |

GRANTS AND FELLOWSHIPS

- | | |
|------|---|
| 2026 | Junior/Senior Research Grant – Office of Research and Sponsored Projects, California State University, Fullerton |
| 2026 | 2026 SUREA –Summer Undergraduate Research Academy program – The Undergraduate Research Opportunity Center (UROC), California State University, Fullerton |
| 2025 | 2025-26 HHD Research Support Program (RSP) – College of Health and Human Development, California State University, Fullerton |
| 2025 | 2025 SUREA –Summer Undergraduate Research Academy program – The Undergraduate Research Opportunity Center (UROC), California State University, Fullerton |

2025	2025 Engaging Graduate Students in Research, Scholarly, and Creative Activities (EG-RSCA) Program – The Undergraduate Research Opportunity Center (UROC), California State University, Fullerton
2024	Junior/Senior Research Grant – Office of Research and Sponsored Projects, California State University, Fullerton
2021	Dissertation Completion Fellowship – College of Education, Michigan State University
2020	Clifford E. Erickson Memorial Scholarship – College of Education, Michigan State University
2020	Kin Research Fellowship – College of Education, Michigan State University
2020	Summer Research Fellowship – College of Education, Michigan State University
2019	Dissertation and Research Practicum Support Fellowship – College of Education, Michigan State University
2018 – 2019	Summer Research Renewable Fellowship – College of Education, Michigan State University
2017	Summer Research Development Fellowship – College of Education, Michigan State University
2017	Graduate Student Research Enhancement Award – College of Education, Michigan State University
2014	Graduate Research Grant – College of Education and Human Development, Texas A&M University
2014	Graduate Scholarship – College of Education and Human Development, Texas A&M University

TEACHING EXPERIENCE

Assistant Professor, California State University, Fullerton

2025 – Present KNES 461: Biomechanical Analysis of Human Movement

2022 – Present KNES 360: Movement Anatomy

2022 – Present KNES 361: Principles of Human Movement

Graduate Teaching Assistant, Michigan State University

2020 – 2021 KIN 251: Principles of Human Movement

2017 – 2018 KIN 360: Physical Growth and Motor Development

2016 – 2017 KIN 251: Principles of Human Movement

Guest Lecturer, Michigan State University

2021 KIN 860: Growth and Motor Behavior (*graduate class*)

2020 KIN 360: Physical Growth and Motor development (*undergraduate class*)

2019 KIN 860: Growth and Motor Behavior (*graduate class*)

2017 KIN 251: Principles of Human Movement (*undergraduate class*)

2016 KIN 360: Physical Growth and Motor Development (*undergraduate class*)

2016

KIN 251: Principles of Human Movement (*undergraduate class*)**MENTORSHIP AND ADVISING***Graduate level*

- | | |
|--|-------------------------|
| 1. Mia Cortez | Spring 2026 – Present |
| 2. Justin Castillo | Fall 2024 – Spring 2026 |
| 3. Juliet Levya (advising and thesis committee member) | Summer 2025 – Present |
| 4. Sandy Durra (advising and thesis committee member) | Summer 2025 – Present |

Undergraduate level

- | | |
|--|---------------------------|
| 1. Sophia Faith Azarcon, Public Health, CSUF | Summer 2025 |
| 2. Mia Gonzalez, Public Health, CSUF | Summer 2025 |
| 3. Vincent Cortez, Kinesiology, CSUF | Summer 2025 |
| 4. Faith Santonil, Public Health, CSUF | Summer 2024 – Present |
| 5. Jocelyn Ramos, Communicative Sciences and Disorder, CSUF | Summer 2024 – Present |
| 6. Brittany Merino Galdamez, Communicative Sciences and Disorder, CSUF | Summer 2024 – Present |
| 7. Jo-Chen Shih, Kinesiology, CSUF | Spring 2024 – Fall 2024 |
| 8. Alan Leon, Kinesiology, CSUF | Spring 2024 – Fall 2024 |
| 9. Krista Querubin, Kinesiology, CSUF | Spring 2024 |
| 10. Garrett Deiro, Kinesiology, CSUF | Fall 2023 – Summer 2025 |
| 11. Anelisa Razo-Castaneda, Psychology, CSUF | Summer 2023 – Summer 2024 |
| 12. Brittany Rodriguez, Psychology, CSUF | Summer 2023 – Summer 2024 |

Professional Affiliations

2024 – Present	Asian American Pacific Islander Faculty & Staff Association (AAPIFSA)
2021 – Present	International Motor Development Research Consortium (I-MDRC)
2019 – Present	Society of Neuroscience (SfN)
2014 – Present	North American Society for the Psychology of Sport and Physical Activity (NASPPSA)
2014 – 2016	The Huffines Institute for Sports Medicine & Human Performance
2013 – Present	The Indian Association of Physiotherapists (Member of World Confederation for Physical Therapy) Society

University Services

Department Committees, California State University, Fullerton

2025 – Present	Committee Member , MS in Kinesiology Program Committee
2024 – Present	Committee Chair , Scholarships and Awards
2024 – Present	Course Coordinator , KNES 360 course
2023 – Present	Committee Member , Consolidated Course Fee (MCF)
2022 – 2024	Committee Member , Scholarships and Awards

College and University Level Committees, California State University, Fullerton

2024 – Present	Board Member , Asian American Pacific Islander Faculty Staff Board
2024 – Present	Scholarships Co-Chair , Asian American Pacific Islander Faculty Staff Board
2024 – 2025	Committee Member , College Commencement Planning Committee
2023 – 2025	Committee Member , Health Professions Advisory Committee

Community Outreach

June 2025 – Present	Serving as a faculty advisor for the Pre-PT Club formed in the Department of Kinesiology to help navigate the application process of Physical Therapy Program
June – July 2024	Served as a Research Faculty Mentor to two undergraduate research scholars under the Professions Advancing and Transforming Health (PATH) program
August 2023 – December 2024	Collaborating with the Center for Healthy Neighborhoods to provide Physical Activity sessions for children from low-income households through the research project- <i>“FunDoRoo Adaptation for Group Physical Activity Settings”</i>

June – July 2024	Served as a Research Faculty Mentor to three undergraduate research scholars under the Professions Advancing and Transforming Health (PATH) program
November 2023	Served as a moderator for the oral session of the Southern California Conferences for Undergraduate Research (SCCUR-2024), Fullerton, USA
June – July 2023	Served as a Research Faculty Mentor to two undergraduate research scholars under the Summer Research Experience (SRE) Program

Professional Development

1. Accessible Course Design Lab workshop	March 2025
2. Project upGRADS Faculty Advisor Mini-Conference of 2024	September 2024
3. FDC: Strategies for Inclusive Pedagogy: Flipping the Course and Ungrading	August 2024
4. Supporting Graduate Students of Color	February 2024
5. Equitable Pedagogy Course	2023 – 2024
6. I-MDRC Teaching Motor Development conference	November 2023
7. Anti-racism Training Workshop	September 2023
8. CANVAS Course Fundamentals Design Workshop	May 2023
9. Equitable Pedagogy Course	2022 – 2023
10. Faculty Development Center Monthly Meetings (x6)	August 2022 – April 2023
